Why Simplilearn's JobAssist?

Group Mentoring & Networking Session

Led by an industry expert, this session will offer insights into key skills required in the market and strategies for enhancing your professional network.

Interview Preparation and Aptitude Assessment

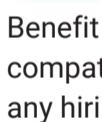

Technical Capability Enhancement

Improve your core competencies with technical assessment designed to sharpen your core skills and elevate your proficiency.

Profile Optimization with AI-Powered Tools

AI-Driven Mock Interview and Expert Mentoring

Practice with an AI-driven mock interview, receive comprehensive feedback, and refine your skills in a 1-on-1 mentoring session with an industry expert.

Job Opportunities Handpicked by Simplilearn

Explore a selection of job opportunities specifically curated by Simplilearn to match your skills and career goals to further enhance your professional journey.

Anupama Sahoo
Trainee - UI/UX

Simplilearn's Job Assist program empowered me with necessary skills to navigate the job market and even helped me connect with potential employers. Their comprehensive support helped me land my first UX/UI design job.

Pratistha Thakur
Product Manager

The entire process was seamless, and the support team ensured I was well-prepared for each round of interviews. Their guidance and support played a crucial role in my success.

Bhavya Sharma
Plant excellence and projects-IU

Simplilearn's well-structured, industry-relevant curriculum offered ample practical learning opportunities. Special thanks to the support team; their guidance and support were instrumental in securing my placement.
